2016-2017 STUDIO POLICIES

Parents and Students, before enrolling at Spokane Elite Dance Studio, please read and discuss the following policies:

ATTENDANCE: Regular attendance is expected of every student at Spokane Elite Dance Studio. If a student is injured they are still expected to attend class and observe. If a student is ill then they will be encouraged to stay home and rest until they are better. Students may schedule a make-up class so long as they are attending a level directly at or below their level within their genre or a similar genre. All make-up classes must be scheduled at the front desk. It is requested that you inform the instructor of any illnesses or injuries prior to the beginning of class. If a student is planning on missing a class due to vacation or any other planned engagement, please notify the front desk as soon as you can so we can inform the instructor.

CLASS CANCELLATION POLICY: If an instructor falls ill, then a qualified substitute will fill in for them. The studio will follow all Central Valley School District cancellations due to snow. Spokane Elite Dance Studio reserves the right to cancel or combine any class which fails to meet the minimum enrollment requirements. Class make up days are scheduled for May 30th.

CLASS PREPARATION: We ask that all students bring a water bottle with them to class. We also suggest dancers bring a notebook with them to every class.

COMMUNICATION: Communication between parents, students, instructors and the studio director is very important. We ask that all families make sure they have an email address on file with us that you check regularly and that you take the necessary steps with your email provider to make sure our notices aren't being delivered to your junk folder. We also encourage all current dancers and parents with a Facebook account to request to join our Spokane Elite – Dancers and Families private group page.

DRESS CODE: The required class attire is mandatory for all students and those who arrive without the proper attire (including shoes) will be asked to sit and observe class. No jeans or street shoes (shoes that have just been worn outside) may be worn at any time. Hair must be neatly pulled away from the face and neck for all jazz and tap classes and in a bun for all ballet classes. No jewelry is to be worn for any class and dance shoes are not to be worn outside. Standard attire for all ballet classes includes black leotard, pink ballet tights and pink ballet shoes. Boys taking ballet class should wear a plain white t-shirt or tank top, black leggings and black ballet shoes. For all jazz, Mini Movers tap, or Twinkle Toes Jazz/Hip Hop classes, dancers should wear black jazz pants/leggings/shorts and black jazz/tap shoes or white cheer shoes with a tight fitting black tank top or black t-shirt. Lyrical classes should wear jazz pants or leggings and have tan jazz shoes or tan half-sole shoes. Hip hop classes need only follow the previously outlined standard dress codes. More information on the dress code will be emailed to you upon registration.

PROMPTNESS: Students must be ready to begin class at the scheduled time. Students who are more than five minutes late to class may be asked to sit and observe. If a student is late for class, please enter the studio quietly as to not disrupt the other students. It is encouraged that students arrive early and quietly go to the dressing room to prepare for class. It is also expected that parents of students unable to drive themselves will arrange for their dancer to be picked up at the end of class.

TUITION/PAYMENT: Please read the Payment Policies section located at the bottom of the All Inclusive Pricing page. Payment can be made at the front desk or through your Customer Portal. For tuition rates please contact classes@spokaneelitedance.com

TERM LENGTH: The term length follows the Central Valley School District and consists of two semesters beginning September and February. It is expected when a dancer enrolls that they will continue that class through the duration of our 10-month session (September through June). If you plan to drop a class you must give us one month notice otherwise your account will still be billed. Though optional, summer classes and workshops are encouraged for the benefit of the student.

STUDIO BEHAVIOR: Students and visitors are asked to be quiet and courteous when inside the building. Food and beverages other than water are not allowed in the dressing room or studio and must be kept in the lounge/kitchen area.

DRESSING ROOM BEHAVIOR: It is expected that the dressing room is to be used for physical and mental preparation before class. Food is not allowed in the dressing room. Never touch anything that belongs to another student and use indoor voices as to not disrupt other classes. All changing should happen in the dressing room and not in the bathroom. Boys have a separate dressing room. Spokane Elite Dance Studio is not responsible for lost or stolen items.
